

ABOUT MIRACLE HILL MINISTRIES

Since 1937, Miracle Hill Ministries has been growing and expanding to meet the changing and diverse needs of homeless, hungry and destitute people. With the help of our community, we have become the largest and most comprehensive provider of services to homeless and hurting children, women and men in Upstate South Carolina. On any given day we care for more than 650 individuals in our (6) homeless shelters, (2) residential addiction recovery centers, and foster care program. On average, we serve 392,000 meals each year.

Operating under a Christ-centered model, we provide shelter, food, clothing, counseling, educational opportunities and much more. People walk through our doors broken, scared and empty. They leave with purpose, hope and a future full of possibility. *It's been said, "If you can't find a friend in the world, you can find one here."*
